**GSMJIF, et al. v. Ace Illinois Union Insurance, et al.**  
**Civil Action No. 10-2036 (KSH)**

Dear Magistrate Shipp and Magistrate Shwartz:

I am writing to advise you of the status of the settlement process in the above-captioned matter.

The City of Hoboken will be presenting the Pantoja settlement document to the City Council for approval after it receives a fully executed copy from the other parties. I understand that the Plaintiffs have executed the settlement document.

The Pantoja settlement document was forwarded to Defendant Andriani for signature approximately three weeks ago. My inquires to Mr. Sciarra as to when I could expected an executed copy was responded to by the statement that Mr. Andriani has the document. As of today's date I have not received an executed copy

The settlement document was forwarded to former Hoboken Mayor David Roberts for signature. After some delay and hesitation, last week his attorney advised my office that he had recommended to Mr. Roberts that he execute the document. We have followed up with Mr. Roberts this week, but he has not yet executed the document.

I have not yet received an executed settlement agreement relating to the settlement among the carriers.

At this juncture I would recommend that the Court schedule a conference to ascertain whether and when Mr. Andriani and Mr. Roberts will be executing the agreement. I expect Mr. Roberts to execute the agreement shortly, but I have no further information concerning Mr. Andriani.

Respectfully submitted.
